## **FROM THE COMMITTEE MEETING**

### **Finance**

Martin gave a very comprehensive Financial Report. There are eleven more subs to be paid and Martin asked when do we know people are not coming back to the club when they have not formally resigned. The committee will look at putting a remit at the AGM later in the year,

Martin has prepared a budget for this year and the committee agreed there is no need to raise table money or subs at this stage. The club is doing well although running the tournaments and the losses they are incurring is a concern.
