We lost another of our loved older club members this week.

Margaret Bell died on Tuesday. Margaret was one of the first partners I ever played with when I joined the South Wairarapa Bridge Club seven years ago. She lived close to the bridge club and whenever we needed someone to fill in she always came and played with whoever needed a partner (we could have done with her on Thursday !) We remembered both Sheila and Margaret with a minute silence at our Thursday session

**Our Club has a busy week ahead of us .**

**Tomorrow (Sunday)**we have the Junior and Intermediate Tournaments  
A reminder to everyone who is playing - **please bring a plate for morning tea**  
**Please come by 9.30 as people will start arriving then**

Everyone playing should have received an email with details for the day.  
Apologies to the Intermediate players who received an email headed “junior  
Tournament” – the name was wrong but the information was correct.

**Monday**\_ Monday Night Autumn Pairs 1

**Tuesday** Improver classes continue with Margaret White and Beginner classes
